Important information about receiving a direct delivery of Aspen fuel

1. Orders will be sent on a 48 hour service unless a next day service is chosen for £5 extra.
2. If you do not have access to a forklift truck to offload the delivery, please request a tail lift service .
3. When placing your order, it is important to let us know if there are any delivery restrictions at the address.
4. Deliveries will need to be signed for. If you cannot guarantee that someone will be available to sign for your order, please arrange to collect your Aspen from your local dealer instead.

Any further questions, please contact your local dealer or call the Aspen sales team on 01929 551557 (ext2)
